Reference: Rutgers Open Public Records Request # R003353-013017

Dear Professor Idsvoog,

Please accept this letter as the University Custodian of Records response to your request for records pursuant to the Open Public Records Act ("OPRA"). On January 30, 2017, this office received your request for the following:

"1. Every analysis conducted by the university provost's office since January 1, 2011 designed to check for academic corruption in your athletic department. 2. Every analysis conducted since January 1, 2011 by an outside contractor/consultant hired by the provost's office designed to check for academic corruption in your athletic department. 3. If the provost has never made a specific check for academic corruption in the university's athletic department, please so indicate so we can report that fact."

The University has reviewed your request and determined there are no records responsive thereto. Because OPRA provides access to existing, identifiable records, your request is denied.

If your request has been denied, you may take your appeal to the New Jersey Government Records Council (NJGRC), which has mediation and dispute resolution procedures, or you may file a lawsuit with the New Jersey Superior Court, as provided by N.J.S.A. 47:1A-1, et seq. Your rights of appeal is provided with this letter at [Public Facing Pages of the Rutgers University Open Public Records Request Center](#). You may also review the brochure at the [Rutgers Custodian of Records page](#) or visit the [NJGRC page](#).

If you have any questions, please contact my office at [\(973\) 972-1981](tel:973-972-1981).

Sincerely,

Daniel Faltas
