Professors Idsvoog, Foster and Grubb,

I am writing on behalf of the Provost in response to your earlier letter. The President of Arizona State University has delegated all of the university's athletics compliance responsibilities to the Office of General Counsel (OGC). All athletics compliance functions, including education and monitoring efforts related to NCAA academic legislation, are performed by OGC through one of its units, the Athletics Compliance Office. The Athletics Compliance Office is overseen by ASU's Executive Director and Chief Athletics Compliance Officer, who reports directly to ASU's Senior Vice President and General Counsel.

Sincerely,

Cynthia L. Jewett**Senior Associate General Counsel****Arizona State University****480.965.4550****cjewett@asu.edu**
