Re: Response -- Your Public Records Request 16-415

Dear Professors Idsvoog, Foster, and Grubb:

After a diligent search, we have been unable to locate any records responsive to your Public Records Request 16-415 seeking:

- 1. Every analysis conducted by the university provost's office since January 1, 2011 designed to check for academic corruption in your athletic department.**
- 2. Every analysis conducted since January 1, 2011 by an outside contractor/consultant hired by the provost's office designed to check for academic corruption in your department.**
- 3. If the provost has never made a specific check for academic corruption in the university's athletic department, please so indicate so we can report that fact.**

This concludes the University's response to your request for public records.

Please contact this office if you have any questions.

Sincerely,

Public Records Office
