Subject: What the Academic Integrity Project will be reporting about your office

Back in December, we sent your office a letter asking for:

1. Every analysis conducted by the university provost's office since January 1, 2011 designed to check for academic corruption in your athletic department.

Analyses conducted regularly:

- SEC Attendance Policy adherence and reporting
- Class Percentage Guidelines
- Major Percentage reporting
- Travel log process
- 50% online vs. In class guidelines
- Non-traditional courses guidelines
- N4A Program Certification (2013)
- Upcoming Compliance Review (June 2017)

These are regularly reported to academic affairs leaders at Deans' meetings and in meetings with the Provost.

2. Every analysis conducted since January 1, 2011 by an outside contractor/consultant hired by the provost's office designed to check for academic corruption in your athletic department.

Scheduled for the upcoming academic year.

3. *If the provost has **never made** a specific check for **academic corruption in the university's athletic department**, please so indicate so we can report that fact.*

As we indicated in our letter then:

If we receive no response, we will report that you did not respond.

Please send your response and attached documents to:

AcademicIntegrity2017@gmail.com

We received no response, and we will be reporting that your office did not respond.

If you now do wish to provide any analysis your office has done to examine academic corruption in the athletic department, please do so by June 9, 2017.

Thank you.
